

How to administer an online **Illuminate** Assessment on iPads using the **Lockdown Browser**

Lockdown Browser for Students

Have students download the LockDown Browser by Respondus from Catalog. Make sure they download the blue and yellow one by Respondus (see logo to the right). They don't have to actually launch the app once downloaded. If it asks for school name, just have them close the app, they're done with their setup.

Illuminate

Online Administration

1. Locate and open the assessment you want to administer
2. Go to "Administration>Online Testing"

Illuminate Resources - Playlists

Not in any Playlists. Add to Playlist

- Use the dropdown buttons to select your testing window start and end times and the students that are to be tested.

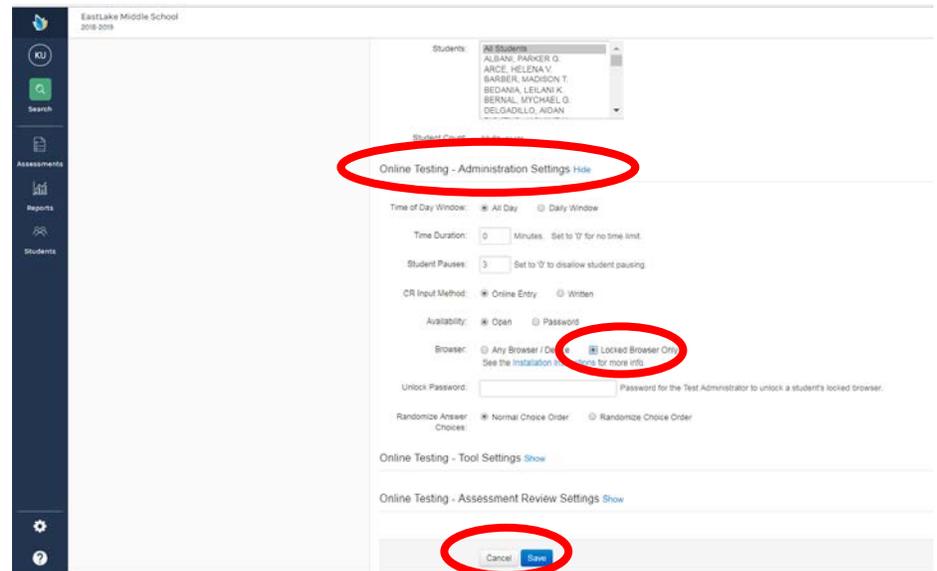

- Scroll down to “Online Testing - Administration Settings.”

- Click on “Show”.

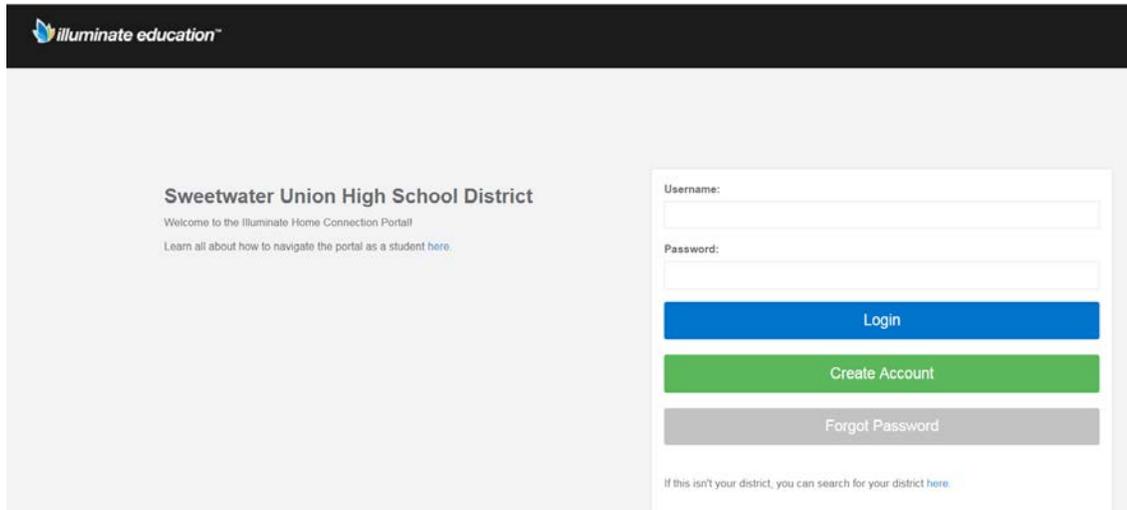

- Check the box that says “Locked Browser Only”

- Click “Save”

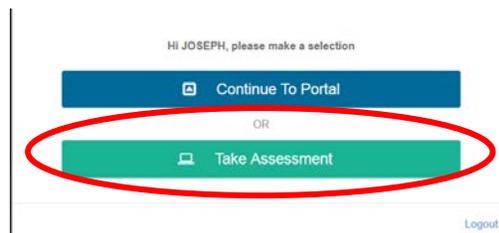

Students' View

Students should open sweetwaterschools.illuminatehc.com in their browser and log in. Their username and password are their student ID number and 8-digit birthday.

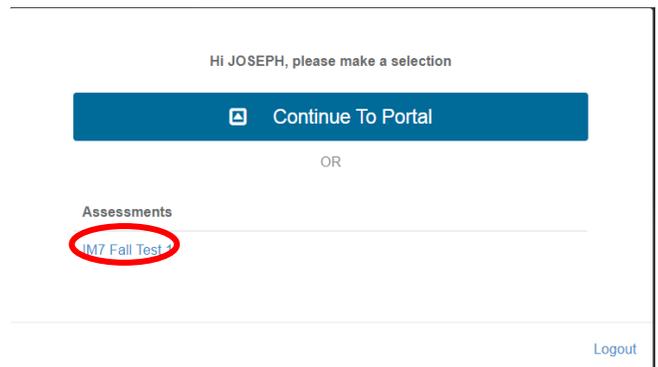

The screenshot shows the login page for Sweetwater Union High School District. At the top left is the "illuminate education" logo. The main heading is "Sweetwater Union High School District" with a sub-heading "Welcome to the Illuminate Home Connection Portal" and a link "Learn all about how to navigate the portal as a student here". On the right side, there is a login form with fields for "Username:" and "Password:". Below the fields are three buttons: "Login" (blue), "Create Account" (green), and "Forgot Password" (grey). At the bottom of the form, there is a link: "If this isn't your district, you can search for your district here."

After logging in, students should select "Take an assessment".

The screenshot shows a selection screen with the text "Hi JOSEPH, please make a selection". There are two buttons: "Continue To Portal" (blue) and "Take Assessment" (green). The "Take Assessment" button is circled in red. Below the buttons is the text "OR" and a "Logout" link.

Students should click on the appropriate assessment to start. If their assessment doesn't appear, check your settings for the test to make sure you have selected the appropriate window and have chosen the correct students.

The screenshot shows an assessment selection screen with the text "Hi JOSEPH, please make a selection". There is a "Continue To Portal" button (blue). Below it is the text "OR". Under the heading "Assessments", there is a list of assessments, with "IM7 Fall Test" circled in red. A "Logout" link is visible at the bottom right.

Students will automatically be locked down once they start the assessment.
